Bridge Officer Reports

Vice Commodore – Kelvin

Given the uncertainty of the current political climate with our neighbour to the south, the Club Executive has made the difficult decision to cancel our official Club Regatta in Blaine. This was not an easy decision. However, we encourage members to plan their own on-the-water activities over the Victoria Day long weekend (May 17–19, 2025), and we wish everyone a safe and enjoyable time on the water.
