

## MYCBC CLUB NIGHTS

Club Nights are scheduled evening meetings to cover Club business and Educational Presentations. They are usually scheduled the second Friday evenings of February, March, April, May and September unless conflicting with a holiday. All members are encouraged to attend and participate in the decisions of the club at a short meeting and then enjoy a Presentation on a topic related to the MacGregor Lifestyle in the Pacific Northwest. The club night is free. Just pay for the food and drink you order from the restaurant menu.

Distant Members will be provided with a link to a free online ZOOM meeting so they can view the meeting and presentation on their online devices.
